Celebrate Efforts

The 0-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

Remember that everyone's learning journey is different but we can each have a fulfilling outcome!

Concerned About Your Next Step?

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is not the end point and is only one part of your life journey.

Do

- Have conversations with trusted adults who know you well to advise and guide you (parents, teachers, ECG counsellor).
- Decide and act based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for support is a sign of strength

If you have questions about your options or are not coping well, you can reach out to trusted adults such as a parent/guardian, teacher, school Counsellor or ECG Counsellor. You can also talk to a trusted friend.

How should you make your 12 choices for JAE

<https://file.go.gov.sg/2023-explorer-issue2-sec.pdf>

How should you make your 12 choices for the JAE/ JIE?

First 3 to 4 choices: Consider courses that most align with your Values, Interests, Personality and Skills (V.I.P.S) and strengths.

Next 3 to 4 choices: Choose what you are interested in and stand a good chance of getting into. Consider the last aggregate scores of the courses (where your net score is within the range of last year's aggregate score). You can use **Course Finder** or **School Finder** to find out the aggregate scores.

Last 3 to 4 choices: Include alternative courses and institutions where the last aggregate scores are higher than yours. With this, your chances of securing a place will be higher.

Be realistic, but still consider interests, strengths and career aspirations
Embrace lifelong learning to remain relevant
